i definitely think everyone should ask permission before posing a picture of someone else on their blog

monashdoctors.org

on the plus side: if you don't like it for your face it makes a nice addition to -ahem- alone time

medaliaproductions.com

i have yet to see my scalp doesn't get freezer burned due to its tingling and slight stinging sensation when i travel

naturmeds.info

ldquo;we are very pleased with the high level of interest and support from our banking partners, which resulted in the oversubscription of the transaction
